REQUEST FOR CORRECTION TO THE FILING RECEIPT

Assistant Commissioner for Patents
Office of Initial Patent Examination
Customer Service Center
Washington, DC 20231

Sir:

The filing receipt for the subject patent application has been received and reviewed for accuracy. Two discrepancies have been discovered. The filing receipt fails to indicate the correct foreign priority of the application. The correct foreign priority information is as follows:

FOREIGN APPLICATIONS- FRANCE 99 01306 02/04/1999

Also, the first applicant's name is misspelled. The filing receipt incorrectly notes the applicant's name as "Christopher Garnier." The correct spelling is **CHRISTOPHE GARNIER**.

In view of the errors noted, it is respectfully requested that a corrected filing receipt be issued in this application. Since these errors are believed to be errors of the Patent Office, such changes should be made at no expense to the applicants. However, if any fee is believed to be necessary, authorization is given to charge Deposit Account No. **01-0484**.
